Some explanations

Pre-Program

You can either register for the conference only (starting Saturday, 19th of May with the Opening Ceremony) or for the additional and fantastic pre-program which will give you the opportunity to get to know your fellow delegates and to have an insightful start to BayMAU18. The pre-program already starts on Friday and will cost you additional 15 € - but it's definitely worth it!

Workshop-slot 1-4

During the Pre-Program, we will have different workshop-slots. In each slot, we will offer four workshops *among which you should choose one*. In order to have groups of more or less equal numbers of people, we will send you a form in advance, where you can fill in your preferences. Some workshops will also be held twice. There are workshops that deal in one or the other way with our main topic and others focusing on culture, as for example singing and dancing.

Opening Ceremony

Official Opening of the Conference, prominent guests, first official meeting of BayMAU18

SimSim Workshop

It's your first time at a MAU Conference? You are a little bit confused because of all the technical terms and official rules? This workshop will help you to have an easy start in your committee sessions so that you can start discussing right away.

Panel Discussion

Topic: Pan-Africanism – the source of an empowering Africa? Speakers and details tba

Franconian Dinner and Gala Night

Tasty Franconian food and one or two surprises... That's all we want to say so far.

Pan-African Parliament & Closing Ceremony

Time to say goodbye – also officially! You will present the resolutions passed in your committee to your fellow delegates.
